DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-25, 30-57 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 25 depends on claim 1, claim 1 is claiming sending encrypted document from data center to destination device. Claim 25 further claiming the sending encrypted document from data center is first sending the encrypted document from the data center to the mobile device and then sending the encrypted document from the mobile device to the destination device. The limitation introduced by claim 25 confuses the claimed limitation of claim 1 and causing claim 1 to be indefinite.

For example: A gives B a message. This language clearly means the message is passed from A to B. If A gives B a message = A gives C a message and C gives B the message; then A gives C a message = A gives B a message and B gives C the message. This relationship/steps can go on indefinitely and no one is clearly who gives who the message and what step the giving is being located when a person talks about A give B the message. Therefore, claim 1 is unclear.

Similarly, claim 30, and claim 45 is unclear because of the same reason giving above regarding their relationship with claims 44 and claims 57.

Allowable Subject Matter

Art Unit: 2624

3. Claims 26-29 are allowed.
4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.

Conclusion

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to King Y. Poon whose telephone number is (703) 305-0892.
